## **Position Opening: Interpretive Naturalist, Clinton County Conservation**

Clinton County Conservation has a permanent full-time position open for a Naturalist. A minimum of an Associates Degree in a Natural Resources or related field is required. Assists the Conservation Education Coordinator and other education staff in planning, developing and presenting conservation education activities for schools, youth and adult groups and the general public; and helps develop related written, audiovisual and display materials. Clinton County Conservation operates, or cooperates in, four nature centers including the newly constructed Mississippi River Eco Tourism Center, Eden Valley Nature Center, Soaring Eagle Nature Center and with Scott CCB at the Wapsi River Environmental Education Center. The education staff also operates Blue Heron Eco Cruises (30-passenger pontoon boat) out of Rock Creek Marina & Campground. The successful candidate would be joining a team with three other full-time naturalists. The CCCB Education Program has won the award for "Most Outstanding Large CCB EE Program in Iowa" by IAN and ICEC in 1999, 2002, 2007, and 2010. Standard benefits include no-premium healthcare for individuals and families. We are looking for an experienced naturalist with a wide variety of outdoor skills and certifications. Also experience with computers, writing, display design, volunteers and presenting nature activities to groups of all ages is preferred.

Starting Salary is \$17.36 with several step-up raises over 14 months to \$19.20 (\$39,936 annually). Full-time employee with non standard work week and hours with an average forty hours per week, uniforms allowance provided. Starting in May, 2012 (negotiable). Clinton County is an Equal Opportunity Employer.

Please submit a cover letter and resume to: Mark Roberts, Conservation Education Coordinator, email preferred.
